Together with

The Ultimate Foundation

are pleased to announce a special invitational series in support of our tour dependent professionals

THE ULTIMATE NATIONAL PRO INVITATIONAL SERIES 2020

Our thought behind it all

We as professional golfers need to stay sharp in order to compete at the highest level – nationally / internationally. This is afforded to us by the Indian professional golf tour which runs through the year. It gives us the highest level of competition nationally and the earnings to go with it, that advance our professional careers. Most importantly it keeps us in our prime and helps us remain focused and fit. The Indian professional golf tour has nurtured us all and helped us hone our skills before moving on to the upper echelons of world golf.

Participate in supporting professional golf

The ongoing pandemic has disrupted our professional lives, as the national pro golf tour, which provides a livelihood to most of us, has been put on hold till 2021. While a section of us are financially stable, there are many of us who are struggling to make ends meet in these challenging times. It is to aid such tour dependent professionals that we have come together and planned the Series covering the 4 geographic zones of the country. We will commence with the first tournament of **The Ultimate National Pro Invitational Series - 2020** with the North Zone, scheduled at the **Classic Golf & Country Club on July 10, 2020**.

The purse allocated from the funds raised will be distributed to the participating pro golfers as prize money in a similar manner as is done on the professional golf tour. Series #1 will conclude after covering all zones, and the success, we believe will lead to holding Series #2.

Gathering support of the larger community

All golfers are dedicated to the sport in a manner distinct from all other sports. And we believe that people are raring to support the resurgence of golf at the apex level in India. Please participate and contribute in supporting these tour dependent professionals to tide over these challenging times.

To energise, activate and engage junior, ladies and gentlemen golfers in our plan, we have curated special competitive amateur tournaments for each of the 3 categories to be held in each zone and to precede the pro tournament in that zone. **The proceeds from these amateur tournaments will go towards the fund that we have created for our comrades.**
